The Get Happy Jazz Band is a unique, traditional jazz band located in the hills of Chattanooga, TN. The band consists of eight musicians playing a variety of acoustic instruments including two vocalists. ***Get Happy's*** distinctive sound is kindled by the belief that music should be fun and bring joy to others. With a style of collective improvisation to blend traditional jazz, gospel, spirituals, country, et al to create an original style of music - the "***Happiest Music on Earth!***" We would love bring fun and joy to your event!
